## AID TO THE USE OF THE ARCHITECTURAL INDEX

**GENERAL ARRANGEMENT** -- All entries are arranged alphabetically. **Articles** about a specific building are indexed under the general building type and cross-filed under "ARCHITECT AND DESIGNER" and locations, state or foreign country. Under some headings subdivisions are made geographically or by subject. All other articles are indexed by subject and not by title. News, Books Reviewed, and New Products are not indexed.

**SPECIFIC ARRANGEMENT** -- Example
