GENERAL ARRANGEMENT

All entries are arranged alphabetically. Articles about a specific building are indexed under the **general building type** and crosslisted under "**ARCHITECT or DESIGNER**" and under **location, state or foreign country**. Under some headings, subdivisions are made geographically or by subject. All other articles are indexed by **subject** and not necessarily by title. The person's name after "**by**" is that of the author of the article. The name in *italics* is that of the **architect or designer**. NEWS, BOOKS REVIEWED, and NEW PRODUCTS are not indexed. RESIDENTIAL DEVELOPMENT includes speculative and builder houses.

SPECIAL ARRANGEMENT
