MEETINGS

First Meeting

Time: Tuesday, Oct 10, 1944 Buffet Luncheon 12:30 p.m.

Place: Architectural League Exhibition Room

Subjects:

(a) Business meeting:

Report from Executive Committee
Election of Honorary Associate Member
Plans for the current season
(Suggestions from the floor)

(b) Legislation:

Discussion of the Kilgore Bill by the Committees
on Legislation and Postwar Planning.

It is said of the great Democracies, like America, that they represent the rule of the minority, as it is the minority that takes the trouble to come to the polls and vote. The New York Chapter has a large membership, many of whom privately express their opinions as to what the A.I.A. fails to do or should accomplish. It would be an exaggeration to say that 10% of the membership comes to the meetings, yet it is the meetings which are the logical clearing bureau for the solution of these problems.

This is our first business meeting of the Season. What is done this year depends on YOU. We are thinking particularly of the younger members. Be there with your ideas.

RESERVATIONS MUST BE MADE IN ADVANCE!
