

## Today's News - Monday, March 25, 2002

A new week, a new look (it's still evolving), a new feature article and a brand new Industry Calendar on the home page - pretty amazing considering we posted the first newsletter February 18th and started mailing to subscribers February 25th - just about one month ago! Take a look at the new home page - and let us know what you think. While you're there, check out the newest feature, the National Wildlife Federation Headquarters by HOK; it is a model for the "greening" of speculative office buildings.
