## Today's News - June 19, 2002

Today's news includes our second edition of WhoWhatWhen, with tidbits of industry news from all over. We hope you find it informative - and entertaining (we couldn't resist the selection of vintage photos).

The world of architecture and art has lost one of its greatest champions with the passing of J. Carter Brown. He was lauded in the press around the world this morning: "Part Barnum, part Albert Schweitzer, Mr. Brown clearly relished his job as America's "unofficial minister of culture," as U.S. News and World Report once called him..."
