

Today's News - August 29, 2002

As ideas keep pouring in for WTC memorial, the memorial director asks to wait until design guidelines are posted. 9/11 planning issues will be presented in China. Sprawl spawns water shortages. UK architects urged to go "green" and pay attention to accessibility. New York's High Line comes into view. There are big plans brewing in Milwaukee and Melbourne. It's Gaudi time in Barcelona. Plans for Mount Alexander the Great don't sound too great to some. Design is the UK's hottest degree. New Zealand honors design and Korea honors an architect as Artist of the Year...and much more.
