Today's News - October 28, 2002

ArchNewsNow is very pleased to announce that, beginning today, we will be presenting feature articles by ArcSpace, another international webzine that covers projects all over the world. This week at ArcSpace: Yokohama International Port Terminal by Foreign Office Architects, and a new Copenhagen Metro by KHRAS Architects.

Elsewhere in the world: A political columnist comments on plans for the New York City waterfront (and building motels for endangered fish). -- Stunning villas for a new community by the Great Wall of China. -- Grimshaw hopes revamp of LSE design will pass muster. -- Edinburgh and Copenhagen are hotbeds of architectural controversy. -- Beauty and landscaping for parking garages from Milwaukee to Singapore. -- Similar issues from Washington (State) to Chicago to Australia: urban growth areas, safety, and sustainable development. -- Artist/architect Vito Acconci speaks in Anchorage tonight. -- Museums contend with the future. -- Vienna seems to treasure its treasures more than America does. -- A new cathedral in Parramatta has deep roots.
