

Today's News - February 19, 2003

Louisiana AIA has solution for architects leery of passing plans over the Internet. -- A city plans to map (and hopefully save) historic buildings. -- Urban design standards: Will they limit architectural creativity in Sarasota? Are they making Athens ugly? Is Bhutanese culture being bulldozed? -- A chic spa and a student-designed rail station on the boards in Dubai. -- Busy architects in Tacoma and Los Angeles. -- New life for an old factory in Cincinnati. -- Hospital aims to be "be architecturally significant as well as patient friendly." -- No middle ground for opinions about new student building. -- Another sparkling new arts center for London. -- Hot stuff at Toronto's Interior Design Show. -- Dilbert does doors - only \$24.95.
