

Today's News - March 12, 2003

Enter Here: one would never guess there's a parking structure behind those charming facades. – Chicago loses a cultural leader. – Contract in the offing for Libeskind (maybe now we'll know who the client is?). – Edinburgh Old Towne to rise from the ashes. – Hidden treasure uncovered in Sacramento. – Ontario College of Art and Design: "Bravo to the architects for their ambition to think big. Along the way the original zap of the building got garbled." – Big plans for Thames Gateway - at what environmental cost? – Only contractors with security clearance need apply. – Birkerts is back (he never really went away). – Block 37 still searching for architects. – Pritzker too modern, so why not a grand prize for traditionalists. – Libeskind takes on another opera. – Cornell's Dragon Day evolves. – Exhibition explores the fantastic.
