

Today's News - April 24, 2003

"We stock our symbolic survival kits with the enduring idea of New York, which is more resilient than any of its architecture." – A thoughtful commentary on the "antihuman bent of [Western] modernism" and the "serene, cool and majestic" design of Arab cultures (when given funding and a free hand). – Calgary architects point the way to the future of housing. – Turning Melbourne into L.A. – Parking garages with chandeliers. – Shortage of skilled professionals in Sydney. – Rewards for urban regeneration in Newcastle. – Big plans for Phoenix plaza. – Culture flies high in Roppongi Hills, Tokyo. – Koolhaas cools on New York. – Roy makes a big splash in San Francisco. – Architects not dealing well with designs for death...and more.
