

Today's News - June 4, 2003

Libeskind at his politically correct best. – 13,000+ register for WTC memorial competition (but will they all submit proposals?). – Liverpool as European Capital of Culture. – London driving fee a solution for American cities? – Paying for growth. – Anaheim comes of age. – Toyota project "vanilla design" but very green. – Another new memorial for Manhattan. – Stellar shortlist for university project. – A Calatrava bridge for Dallas. – Poor Lincoln Center. – A theme park of slums to inspire housing solutions. – Exhibitions: Government inspires design, and "a splashy yet scholarly look" at Brooks Stevens' career.
