

Today's News - October 14, 2003

Ground Zero density debate continues. – Making cities "cool" to keep (and lure) the "creative class." – A cool Gehry "ship of glass" will be "the third great piece of glass architecture" on Manhattan waterfront (after two Meier towers). – San Francisco's skyline may rise even higher. – Moss waxes poetic about Disney Hall and hopes for downtown L.A. – High praise for Foster's Clark Center. – An "audacious" pair of museums in St. Louis. – A distinctive Canadian accent for Washington, DC stage. – Won't someone take the Liberty Bell pavilion home? – Workplace design as fat-buster. – A "weird architectural contraption" in the middle of Vietnam. – Exhibition honors an architect for the arts. – Honors to an "invisible" patron of architecture. – Eisenman book on everyone's "must-read" list. – Glass has its Modern Moment.
