

Today's News - November 4, 2003

This week on ArcSpace: Scotland and Miami. – We lose a master of tall buildings and a master of library design. – Libeskind finds a publisher. – A recent report about New Urbanism "implies a grim world in which crime prevention is our top planning priority." – New Urbanism is the ticker for a new Jersey City development. –Even with "a team of decent, if carefully muzzled, architects", London's Paternoster Square misses the mark. – It's not all hearts and flowers for Disney Hall. – Miami's performing arts center not on time or budget. – A new Chicago theater is "delightfully monumental inside despite an exterior that seems thimble-small." – Alsop makes a building in Ontario fly. – A beautiful green building and a smart dumb box for two Oregon campuses. – Two designers and two views of what quality design means. – Architects' emotional demons (say it isn't so!). – Tschumi as the thinking man's architect. – Blackwell builds and teaches his vision. – A Wright rediscovered in Racine?
