

Today's News - February 25, 2004

A good reason to go to Barcelona this summer: World Environment Day 2004. – Who isn't on the list vying for Vietnam Veterans Memorial Education Center? – Designing disaster relief housing that is sustainable, and potentially permanent. – Valley Forge museum "something more than the usual roadside attraction." – Chicago bridge as museum. – A new center to put Lincoln, UK, on the performing arts map. – A "once-grand Moorish fantasy" theater under glass. – Freedom Tower to have two observation decks (and nary a mention of Libeskind). – Artful security for Wall Street. – A redesigning Tijuana border crossing. – A new standard for branch libraries. – Kudos for Daniel Urban Kiley. – "Expanded architecture" explored.
