

Today's News - March 19, 2004

It's an international shortlist for the Canadian Museum for Human Rights (and a link to all the pretty pictures). – Toronto's much-maligned Harbourfront "ain't so bad after all." – A "cultural cluster" for Nashville (don't forget the parking). – A go-ahead for mucho millions for Kennedy Center project. – A few hundred million for Kansas City convention center expansion. – Daylighting a delight for Eco Office. – University students want green student union (so what's the problem?). – Singapore style coming into its own. – Murcutt wows them in Chicago. – People skills a plus for budding architects. – Citroen returns to Champs-Elysées with high-style high-tech center. – What is a home? Irish architects want to know.
