

Today's News - September 13, 2004

A tribute to Fay Jones. – Learning from Lower Manhattan conference includes Libeskind, Calatrava, and Arad at the same table. – A star-studded London conference examines signature style and design authenticity. – Venice Biennale (sure to be more reports): Golden Lions roar; Glancey sees too many pods and monsters and gimmicks; and Singapore makes its debut. – Manhattan Home Depot surprisingly at home. – A Boulder, Colorado, eyesore of a mall to be razed and reborn "green." – A "modernist coup" at Portuguese university? – Lessons from New York and Chicago for L.A. River. – A head-turning state agency headquarters on time and on budget (and everyone seems surprised!). – Kamin previews the hot architectural season ahead. – Libeskind launches his own film festival. – Gehry show surely to be a hit. – London Open House opens next weekend. – When architects were master builders (without a license to build).
