

Today's News - February 4, 2005

Have the architecture and design galleries at MoMA lost their groove? – A Kenyan architect believes in the power of architecture. – Will U.K.'s take on New Urbanism leave architects out in the cold? – Meanwhile, high-density housing planned for Poughkeepsie gets the go-ahead. – A Gehry/Hardy collaboration to add theatrical (and "lovable") sparkle to Brooklyn's arts district. – Planned water treatment plant will be a good neighbor. – A Toronto gallery is a "dance between space and function, form and content." – A mall in Manila could be the poster child for what malls everywhere should be. – An Israeli architect thinks local architecture is in bad shape. – It's all luxe for design junkies in Paris.
