Clamoring to Come Home to New Orleans Projects: Residents of public housing fear that officials who say the projects are not ready are really trying to redevelop them - New York Times

Building Moscow's Future: Architectural Preservation at Odds With Development: The continued erosion of modernist heritage is nothing short of a betrayal of the city's history. Only a deep-rooted change in values can reverse the decline. -- International Council on Monuments and Sites (ICOMOS) - Russia Profile

UT to revive Corbusier's legacy...projects proposed originally in the Capitol Complex in Chandigarh - Express Newslime (India)

In bed with Pugin: It's been a school for monks and almost a block of flats. But now the great architect's home (the Grange) has been restored to its former glory. Jonathan Glancey spends the night - Guardian (UK)

Function over form: Blanton Museum of Art's first building is a hodgepodge of styles, but its galleries are a comfortable setting for the collections...What we now have is not aesthetically spectacular, but it does provide a perfectly decent home...surrounded by a public place of emerging importance. By Jeanne Claire van Ryzin -- McKinnell & Wood Architects; Peter Walker Image, links - Austin American-Statesman (Texas)

Polishing the Glass Pavilion: Toledo Museum of Art's newest work of art is taking shape: Emerging is a low-slung, transparent building, compact and graceful. -- SANAA (slide show) - Toledo Blade

Renewal plan is 'anthropology in action': Partnership forged to expand a University of British Columbia (UBC) museum is a study in human creativity -- Arthur Erickson; Startec-Globe and Mail (Canada)

The skyscraper boom: Better than flying: Despite the attack on the twin towers, plenty of skyscrapers are rising. They are taller and more daring than ever, but still mostly monuments to magnificence...Taller, lighter, stranger shapes only when technology permits... - The Economist (UK)

Norman Foster Enjoys His First New York Moment With the Hearst Tower: ...had reason to be pessimistic about getting anything built in New York. -- Foster & Partners [images] - New York Times

Architectural stars go back to their roots: 40 Bond [NYC] represents a critical next step in the oeuvre of an architectural duo that has been distracted from housing for too long. By Edwin Heathcote -- Herzog and de Meuron - Financial Times (UK)

Guiding Light: More and more, lighting experts are suggesting that the line between artificial and natural light can be fluid and, in some cases, the relationship even symbiotic. -- Hervé Descottes, "Observatoire: Ruiz-Geli/Cloud 9/Accocci Studio/Ruy Ohtake; Mahlum Architects; Lighting Research Center; Seattle Daylighting Lab; Matthew Tanteri; IESNA; Lighting Research Center (LRC) School of Architecture at Rensselear Polytechnic Institute (RPI); Available Light; Point B Design; Hekkenkaiinakai Lighting; Kohn Pedersen Fox - The Architect's Newspaper (NYC)

Always in view: In public parks and plazas, sculptures and other artworks help Milwaukee express itself...10 axioms for consideration: Landscape, too, is art. Public art can't save mediocre buildings... - Whitney Gould and Mary Louise Schumacher - Milwaukee Journal Sentinel

A monumental shame in so many ways: A Kent Twitchell mural evoked L.A.'s place in art history, which makes its illegal destruction a civic tragedy. By Christopher Knight slide show - Los Angeles Times

Book review: A calm voice in the cross fire over sprawl: In this age of shrill catcalls that pass for public debate...Anthony Flint has written a book...that thoughtfully explores all points of view. "This Land: The Battle Over Sprawl and the Future of America"... - San Francisco Chronicle

Book review: "The Destruction of Memory: Architecture at War" by Robert Bevan...presents a dark account of how that devastation is brought about, along with a cogent argument for why it deserves recognition as an atrocity... - The Wilson Quarterly
