Special Edition of the Katrina Index: A One-Year Review of Key Indicators of Recovery in Post-Storm New Orleans - Brookings Institution

Arise From The Clay Earth: Let our cities reflect the new age. Let there be a Taj for today... A great nation or city is defined by its buildings - why don't we have great architects design our new airports in Delhi and Mumbai? - Outlook India

Turkey's new delights: With a new megamall, modern-art museum and bold plans for the future, Istanbul is joining the 21st century. Perhaps "liberalising" Istanbul's cityscape just means real-estate speculation dressed up in its usual clothes... the latest easyJet bolt hole for Western tourists, a new Dubai. By Tom Dyckhoff - Jerde; Melkan Tabanlıoğlu; Zaha Hadid; The Times (UK)

Dubai Port World clinches deal to build new port on Thames: ...will invest £1.5bn in the 1,500-acre brownfield site... will also be a lift to the Thames Gateway regeneration project - an 80-mile ribbon development stretching from London to the sea. Many housing projects previously on hold are more likely to come to fruition. - Observer (UK)

From Traditional to Reformed: A Review of the Land Use Regulations in the Nation's 50 Largest Metropolitan Areas: They range from exclusionary and restrictive to innovative and accommodating. - Brookings Institution

Mayor Nickels backs 60% increase in city's population by 2040... says the growth can be accomplished by allowing more apartment and condo towers in some parts of Seattle... But skeptics question the purported benefits. - Seattle Times

How Hospital Design Saves Lives: Design changes can cut infection rates, lower physician errors, improve staff performance, and make all the difference in delivering care. "Evidence-based design" is driving a range of innovations. By Andrew Blum - Center for Health Design; Derek Parker/Anshen + Allen; Guenther 5 Architects - BusinessWeek

$212 Campus Grows Outside Philadelphia: ...220-year old Episcopal Academy will soon have a new 123-acre campus... - Venturi, Scott Brown & Associates; Gund Partnership; Bohlin Cywinski Jackson; Hillier - Interior Design News民企

City Expands Its Role in Brooklyn Cultural District: In Fort Greene, a reorganization of development power and a "ninth-inning good idea" for a theater site. - Hugh Hardy/Frank Gehry; Enrique Norten/TEN Arquitectos; Koolhaas/Diller, Scofidio & Renfro; Dan Wood/Work Architecture Company [images] - New York Times

Property that's so hyped, you'd think they were selling Shangri-La: ...two cloud-pricking residential towers... Rincon Hill is just a new piece of the puzzle, shaped to the changing nature of urban life... for the rest of us, those trees can't come too soon. By John King - Arquitectonica; SCB - San Francisco Chronicle

Planned Tower Would Cap Off Revitalization of Times Square: ...$1 billion [1 million-square-foot building] on the last parcel in the 13-acre Times Square redevelopment district. - FXFowle Architects - New York Times

School does right by architect Wright: Florida Southern College is the only campus of Frank Lloyd Wright structures. It wants to show them off. - Robert A.M. Stern; Jeffrey Baker [slide show] - Miami Herald

Higher Power: Toronto architect Siamak Hariri ascends to architectural greatness... "South American headquarters of the Bahá’í faith... has critics reaching for their most outlandish metaphors... the temple puts the Canadian architect in the international big leagues." - Hariri Pontarini Architects [images] - CBC (Canada)

A League of Her Own: Remember when Fenway Park felt crusty, creaky, and unsafe? The woman behind its extreme makeover isn't done yet... Janet Marie Smith... the architect who jump-started the retro-revolutionary movement in American ballpark design. - Hugh Hardy/Valerio Olgiati; Thomas Phifer & Partners - Boston Globe

Project EverGreen Survey Rates Consumer Attitudes on Green Space Values - Project EverGreen

Yale Students Imagine the Future of Red Hook: The Brooklyn neighborhood is in the throes of rapid social, economic and physical change; a new show creates a vision of what could be... "They have the advantage of being able to be visionary, and not getting caught up in the real-world stuff too early" [slide show] - New York Times

Open call for entries: "Going Public": a non-juried showcase of recent and proposed architectural projects in NYC.
public projects in New York City; deadline: September 27 - Center for Architecture (NY)

Fine Tuning: Utah State University Performance Hall: Inspired by the surrounding mountains, a new building establishes a campus arts precinct that bridges the town/gown divide. – Sasaki Associates [images] - ArchNewsNow

-- Inauguration: SANAA/Kazuyo Sejima + Ryue Nishizawa: Zollverein School, Essen, Germany
-- Under construction: Rem Koolhaas/OMA: Coal Washing Plant, Zollverein Mining Complex, Essen, Germany
-- Master Plan: Rem Koolhaas/OMA: Zollverein Mining Complex, Essen, Germany
