

## Today's News - Tuesday, July 3, 2007

EDITORS NOTE: We are taking a break for a few days of independence...we'll be back Monday, July 9. — Modernist masters minimized: more on Boyd House II facing the auction block and razing Phoenix Modern. — The public process that brought "a ringing endorsement" for new urbanism in a Hudson River city. — GSD offers a "stunning vision" for Belfast's future. — An eco-village on the horizon in Texas. — Yale lab lands LEED Gold. — A Florida children's museum will have kids seeing green. — Dallas does SoHo. — London Olympics: park design "lacks joy and imagination" says Olympic alum. — Then there's that pesky logo (it's "evolving"), and Olympic Park itself in jeopardy. — Experts weigh in on current/past logos. — Facelift for Les Halles will be "a little audacious and certainly poetic." — King finds a molecular lab may be just a box, but one with "pure streamlined punch." — Landscape architects in India finally getting respect. — A high-tech office with a taste for the '50s. — An '80s landmark gets a meticulous makeover. — "Twin Peaks" arrives in Brooklyn. — And yet another huzzah for Zaha. — Diversions for a long weekend: 15 green movies (and then some).
