In with the Old: The original brass mailboxes in the old Front Street post office are long gone, but their memory lives on in a "ghost wall" at the new downtown University of Memphis Cecil B. Humphreys Law School. -- Askew Nixon Ferguson; Fleming Associates - The Memphians Flyer (Tennessee)

- His Buildings Defined a Decade: ..."Eero Saarinen: Shaping the Future" at the Museum of the City of New York adds immeasurably to our understanding... There is something profoundly moving about this show; an inescapable nostalgia pervades it for that elusive American Century... Seeing how one architect expressed its hopes and aspirations helps us to recapture the moment and value the maker on his own terms, in his own times, and in the context of what we have become. -- Yori Antar Han Awaï and Partners [image] - The Jakarta Post

Hamburg could be the poster child for other cities facing realities of wooing a creative class (creatives actually want a voice in things - what a concept!)
