The Burroughs Wellcome Headquarters Tour, aka the Elion-Hitchings Building. This iconic Modernist building in Research Triangle Park **has not been open for public tour for 30 years**. But now, by special arrangement, you'll get inside one of architect Paul Rudolph's most compelling achievements, this award-winning tiered building completed in 1971 and where part of the 1983 movie "Brainstorm" was filmed. Thanks to Architizer and the Durham Herald-Sun for great media coverage. Want to attend the tour free? We need 10 volunteers for about two hours each. Please reply to this email or phone George Smart directly at 919.740.8407. Details and advance discount tickets.

- George Smart will be speaking at one of this year's Guess Who's Coming to Dinner events November 1-3, hosted by the United Arts Council of Raleigh and Wake County.

Support Modernist Preservation:

Paschal House Petition: The heirs of Raleigh's **1950 Paschal House**, a masterpiece by early NCSU School of Design faculty member Jim Fitzgibbon, have **solicited a proposal to deconstruct** the house, so the clock is ticking on Raleigh's most important endangered mid-century modern. Overpricing the property (as it has been for five years) keeps it vacant and vulnerable. You can help influence whether this iconic home is

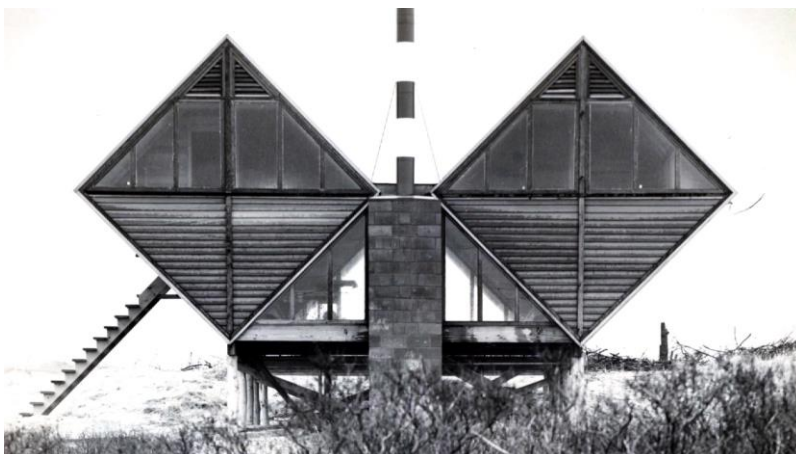

saved - or goes vanishes like the [Catalano House](#) did in 2001. Help save the long-empty and still-savable property through [signing the petition here](#).

- Join the ten-year fight to save [Richard Neutra's](#) Gettysburg Cyclorama Building, [here](#).
- Save Phoenix's endangered David and Gladys Wright House, designed by David's famous father, [Frank Lloyd Wright](#), [here](#).
