## Support Modernist Preservation, Local and National:

- **Paschal House Petition:** The heirs of Raleigh's **1950 Paschal House**, a masterpiece by early NCSU School of Design faculty member Jim Fitzgibbon, have **solicited a proposal this fall to deconstruct** the house, so the clock is ticking on Raleigh's most important endangered mid-century modern. Overpricing the property (as it has been for five years) keeps it vacant and vulnerable. You can help influence whether this iconic home is saved - or goes vanishes like the Catalano House did in 2001. Help save the long-empty and still-savable property through signing the petition here.
