## **Corrected Link: Enloe Architecture Class Trip:**

Tara Barthelmess's architecture class at Enloe High School in Raleigh just doesn't sit around surfing the web and learning CAD all day; they get up and go places. Last year it was [Frank Lloyd Wright's Fallingwater](#). In December, they took in Modernist houses around the Triangle, plus a stop at the [TMH Architecture Movie Series](#) at the Raleigh Grande. **In 2013, they are headed to New York City for a weekend of touring the city's great buildings.** They need to raise funds for everyone to be able to go, so TMH is leading the fund drive. Please donate whatever you can. Your support greatly encourages these kids in architecture. We all know that being at the real buildings makes a huge difference.

So get clicking for a great cause - [donate any amount via the TMH Store](#). Any donations over \$50 get a free TMH Fridge/Car Magnet!
