Thursday, February 7,
7:30pm, at the Raleigh
Grande. This is the last
entry in the TMH/Nowell's
Architecture Movie season.
The husband-and-wife team
of **Charles and Ray Eames**
are widely regarded as
America's most important
designers. Perhaps best

remembered for their mid-century plywood and fiberglass
furniture, the Eames also created a mind-bending variety of
other products, from splints for wounded military during
World War II, to photography, interiors, multi-media exhibits,
graphics, games, films and toys. This is the first full
documentary since their death. \$9 per person. And as
always, our door prizes! [Details and directions.](#)

News This Week:

- From Architect Magazine: UK Study Reveals Architecture's Influence on Student Performance - [read more](#). Hat tip to [Bill Hopkins](#).
- The [TMH/VMZINC Chicago Architecture Trip](#) April 26-28 has just one seat left. Contact George Smart at 919.740.8407.
- Final tally: TMH raised \$985 for **Tara Barthelme's** architecture class at Enloe High School in Raleigh to travel to New York City's great buildings.
- From Preservation Nation, [Rediscovering a Modernist Architect: Edward Dart](#). FYI Dart designed the [1957 Thibaut House](#) in Chapel Hill.
- Goodbye to the blog [NewRaleigh.com](#). Jedidiah Gant & David Millsaps' shared love for Raleigh culture supported localism and highlighted the many individual contributions to the growing cap city. They have moved on in their careers and lives, but TMH

thanks Jedidiah, David, Rusty Long, and the many contributors for the support of architecture and their great coverage of Raleigh life.

- TMH needs volunteers to research mid-century Modernist houses in **Charlotte and High Point**. Work from home on the web, plus a little driving around with a digital camera, to find missing clues about some of North Carolina's most intriguing residences. [Details](#).

Support The Endangered

Paschal House:

Paschal House Petition:

The heirs of Raleigh's **1950 Paschal House**, a masterpiece by early NCSU School of Design faculty member [Jim Fitzgibbon](#),

have **solicited a proposal this fall to deconstruct** the house, so the clock is ticking on Raleigh's most important

endangered mid-century modern. Overpricing the property (as it has been for five years) keeps it vacant and vulnerable. You can help influence whether this iconic home is saved - or goes vanishes like the [Catalano House](#) did in 2001. Help save the long-empty and still-savable property through [signing the petition here](#).
