## A Mad Men Evening

The evening will bring to life that "mod" era and include **Mayberry Modernism**, a presentation by architectural historian **George Smart** of

North Carolina Modernist Houses. Explore the history of Raleigh's unique homes and buildings, which are now reaching the 50-year mark for historic designation. George's talk, filled with visually stunning slides, brings to life this exciting architectural style that traveled here from LA and Chicago via the founding of the NC State School of Design in 1948. If you wish, come dressed circa 1960! The event will include food, drinks, and music. **Tickets are \$20 each and can be [purchased online](#) or by calling (919) 996-2220, or [cormuseum@gmail.com](mailto:cormuseum@gmail.com).**

## NCMH's Wish List - Be our Genie!

- Did you know there's almost **no current support** for architecture education at the 9th and 10th grade level? Because up to 60% of students in rural areas don't have computers at home, learning is limited to classroom time, far short of what students need to develop a portfolio to get into architecture school. NCMH is looking for contributors to expand Project BauHow to two more high schools across NC. And we could use your help identifying two such schools, ideally one in the east and one in the west or south of NC.
- Last week, we posted a North Carolina mystery house with a bad link. Do you know where this house is? We've been trying to find the location for four years.
- Do you, or your parents or grandparents, have old architecture magazines you'd like to donate for scanning? We're looking for **Architectural Record, Architectural Digest, House and Home, Arts and Architecture, AIA Journal, Architectural Forum, Architecture, and Progressive Architecture** from any year.
- We need six volunteers for NCMH's First Friday booth December 6, 5-9pm, at the **Contemporary Art Museum** in Raleigh. Staff the booth for 90 minutes, then troll around the museum and the other wonderful spots open on First Friday!

- The **MODTriangle Architecture Movie Series** has one sponsorship left for our December movie. Promote your business to thousands of people through our newsletter - and the movie is all about **Mies Van Der Rohe**. [Details](#).
- Would you like some of the architecture magazines we've already scanned for your living room table? You know you do. All you can eat!
- Are you from or near **Califon NJ**? We're trying to track down a very unusual [Charles Gwathmey](#) Modernist house, the Elia-Basch house, that features a pipe organ.

## NCMH's Wishes Fulfilled Last Week - Shazam!

- Someone who speaks fluent Finnish: thanks to Kimmo who will be helping us with the [Alvar Aalto](#) archive.
- An LA field research agent: thanks to Andrea who will on on the road soon verifying LA locations in our [Masters Archive](#).
