The 1954 Walter and Edith Johnson House in Darien CT, aka the Dogtrot House, was designed by Edward Durell Stone and has been lovingly maintained over the decades by just two owners. This was Stone's final work to outwardly emulate Wrightian detailing, a practice that began with Stone's visit to Taliesin in 1940. The owner needs our help. She is fending off offers that involve teardown due to the large acreage. Please spread the word to Modernists in the CT area or those thinking of moving. Get them in touch with agent Mary Lopiano at (203) 912-4694.

## If You Build It

NCMH's **MODTriangle Architecture Movie Series** continues at the Raleigh Grande on Wednesday January 8 at 730pm, with "If You Build

It," a documentary on bringing architecture and design thinking to Martin County, North Carolina. The movie series is sponsored by Sarah Sonke of MODTriangle and brings new and hard-to-find architecture films, visually stunning on the 50-foot screen and digital sound system! Additional sponsors include

VMZINC, Kontek Systems, A+S Design, and CAM Raleigh. Free for Mod Squad members, \$9 for the public. [Details](#).

From the director of **Wordplay** comes a captivating look at a radically innovative approach to education. **If You Build It** follows designer-activists Emily Pilloton and Matthew Miller to rural Bertie county, the poorest in North Carolina, where they work with local high school students to transform both their community and their lives. Living on credit and grant money and fighting a change-resistant school board, Pilloton and Miller lead their students through a year-long, full-scale design and build project that does much more than just teach basic construction skills: it shows thirteen teenagers the power of design-thinking to re-invent not just their town but their own sense of what's possible. Watch the trailer [here](#). Sponsored by:

**SPECIAL FEATURE:** Come at 630pm for a special workshop, free with your \$9 movie admission, by the Raleigh Historic Development Commission on designating your property a Modern Raleigh Historic Landmark. Nick Fountain, owner of the Fadum House, a Raleigh Historic Landmark, will share his experience renovating a historic Modernist structure, including how working with the RHDC.
