## Movie: If You Build It

NCMH's **MODTriangle Architecture Movie Series** continues at the Raleigh Grande on Wednesday January 8 at

730pm, with "If You Build It," a documentary on bringing architecture and design thinking to Martin County, North Carolina. The movie series is sponsored by Sarah Sonke of MODTriangle and brings new and hard-to-find architecture films, visually stunning on the 50-foot screen and digital sound system! Additional sponsors include VMZINC, Kontek Systems, A+S Design, and CAM Raleigh. Free for Mod Squad members, \$9 for the public. [Details and the movie trailer are here.](#)

From the director of **Wordplay** comes a captivating look at a radically innovative approach to education. **If You Build It** follows designer-activists Emily Pilloton and Matthew Miller to rural Bertie county, the poorest in North Carolina, where they work with local high school students to transform both their community and their lives. Living on credit and grant money and fighting a change-resistant school board, Pilloton and Miller lead their students through a year-long, full-scale design and build project that does much more than just teach basic construction skills: it shows thirteen teenagers the power of design-thinking to re-invent not just their town but their own sense of what's possible. **National Endangerment Alert:  
Edward Durell Stone's Johnson**

## House

The 1954 Walter and Edith Johnson House in Darien CT, aka the Dogtrot House, was designed by Edward Durrell Stone and has been lovingly maintained over the decades by just two owners. This was Stone's final work to outwardly emulate Wrightian detailing, a practice that began with Stone's visit to Taliesin in 1940. The owner needs our help. She is fending off offers that involve teardown due to the large acreage. Read more about the house from Stone's son, architect Hicks Stone, [here](#). Please spread the word to Modernists in the CT area or those thinking of moving. Get them in touch with agent Mary Lopiano at (203) 912-4694.

**National Alert: Richard Neutra's  
Pariser House in Uniontown PA**

NCMH visited the Pariser House at 27 Judith Street in Uniontown PA during the [2012 Fallingwater trip](#). At the time, the house was vacant and not in the greatest shape, but this past year the family renovated the interior and installed new water, gas, and GFI service and a total re-stain for the beautiful exterior. [MLS listing with photos](#). [Article in the Pittsburgh Post Gazette](#). At \$185,000, it may be the least expensive Neutra house in America! The Pariser family seeks our help finding a caring Modernist buyer.
