Only two weeks left for 3515 Glenwood, Raleigh's "Mad Men" office building designed by Milton Small, to find a suitable tenant -- or plans will proceed for the building's demolition. If you know of a firm needing 34,000sf of space, now's the time to speak up. **Kenneth Hobgood's**

architecture firm proposed an addition/renovation that would save much of the original building. **Bryan Thatcher** of **Virtual Ziggurat** produced an amazing 3D flyaround-with-your-mouse rendering of that plan with two versions: one you can view from the web, and one you can download. Both take a few minutes to load.

One of Raleigh's oldest houses, the Crabtree Jones House, was moved in February. On Thursday, July 31 from 5-8pm, **Preservation North Carolina** has a tour with enjoy beer from Big Boss Brewery. American Meltdown will also be there with gourmet grilled cheese sandwiches! Tour also available on Sunday, August 3 from 1-4pm! Suggested donation \$10. Event details. House details.
