NCMH went to LA and Palm Springs last week! Our 25 crazy architecture fans got to see [Frank Lloyd Wright's](#) Hollyhock House, [Richard Neutra's](#) VDL, Flavin, and Kambara Houses, [Rudolf Schindler's](#) Elliott House and six more in Echo Park, [John Lautner's](#) Silvertop and Sheats/Goldstein houses, three [Eichler](#) houses, the Getty Center by [Richard Meier](#), the Bailey House by [Pierre Koenig](#), Frey's Frey II and the Palm Springs Museum of Art, LA City Hall, the Bradbury Building, the new LA Cathedral, Silver Lake, and several more. In Palm Springs, we saw the Neutra's Kaufmann House (above), Neutra's Miller House, Ship of the Desert, and dozens more from the exterior. The adventure wrapped up with an evening at the iconic Stahl House designed by [Pierre Koenig](#) overlooking the 270-degree vista of LA followed by a pilgrimage to the In-and-Out Burger near LAX. Thanks to **Becky Shankle** of [BESH](#) for sponsorship and making this tour possible. Huge thanks to our wonderfully gracious homeowners, trip planner **Angela Roehl**, resourceful guides **Laura Messino**, **Trevor O'Donnell**, and **George Pudlo**, and the very very special **Catherine Meyler**, **Brad Dunning**, and **Crosby Doe** for a trip that completely blew our minds.

Thanks to **Sarah Sonke** and MODTriangle for hosting Unfinished Spaces, the NCMH architecture movie last week in Durham. Thanks also to event sponsor BuildSense,
