Love the **Case Study Houses**? Just one day left in NCMH's Ebay [auction](#) of a complete set of **Art+Architecture Magazines** 1945-1954, the beautiful new Taschen reprints. This is the gorgeous magazine which sponsored the world-famous Case Study House series. You'll get 118 issues in full color in nearly new condition, but in *unbound, loose-leaf format*. That means the spines have been gently sliced off. Many thanks to the anonymous donor who gave NCMH this 10-volume set for auction. Opening bid is just \$99, this set sells new for up to \$500. Pickup from the NCMH office; or FedEx ground shipping is \$90 additional (the volumes weigh over 70 pounds). Proceeds benefit [Project BauHow](#). [Click here](#).

Almost gone: Sadly, demolition on architect Sam Ashford's house on Alleghany in Raleigh began last week.

Dead Mod Still Walking: Please help NCMH monitor for when **Milton Small's 3515 Glenwood building**, top photo, receives the demolition permit online [here](#). Approvals are in place for a three-story 72,963 square foot replacement, second photo.
