Paul Kirk-designed residence
in Bellevue up for auction
January 23, 2015

This week a 1955 **Paul Hayden Kirk**-designed Modernist house in the Lake Heights neighborhood in Bellevue WA goes up for auction. This architectural gem is significant to Bellevue's development and history and is an excellent example of mid-century modern residential design in the Northwest. Preservation efforts are underway by a grassroots neighborhood preservation group called the *Friends of the Kirk House*, which currently has over 100 charter members who are committed to saving the house from demolition. They have galvanized around this preservation effort due to the concern that the highest bidder at auction may demolish the house and subdivide the one acre parcel. Contact Robin Bentley at birdnest425@comcast.net to bid - or just get involved with advocacy efforts. Auction: 10am January 23, Fourth Avenue entrance, King County Administration Building, 500 Fourth Avenue, Seattle. [Auction info](#). [More info](#). Hat tip to **Catherine Westergaard Cramer**.
