The George Matsumoto Prize

2015

Leland Little AUCTIONS

Submissions are now open for the 2015 George Matsumoto Prize recognizing excellent in recent North Carolina Modernist single-family houses. With \$6000 in prizes and a jury including **Jeanne Gang, Peter Gluck, Harry Bates, Eric Gartner, Bev Thorne, and George Matsumoto**. The 2015 Matsumoto Prize is underwritten by **Leland Little Auctions**, providing hard-to-find original and reproduction mid-century furniture, art, and accessories.

This Milton Small masterpiece at **912 Williamson Drive**, which recently changed hands after 30+ years, is scheduled for an interior renovation by **Hilary Farr** and the crew of Love It or List It. This could be very good or quite bad for one of North Carolina's best examples of mid-century Modernism. **The construction permits have been obtained**, and as of last Friday, the kitchen cabinetry and appliances and original cabinetry were for sale on **Craigslist Raleigh**. Will we Love It or Hate It? Stay tuned.

New: One of the only Modernist houses by architect **[Tebee Hawkins](#)** is for sale in Charlotte as a teardown. We're looking for photos of the late 1970's house, as all MLS listings only show the McMansion that will replace it.

Dead Mod Walking 2015: The old gal's still standing but we don't know for how long. Please help NCMH monitor when [Milton Small's](#) masterful [3515 Glenwood building](#), first photo, receives the demolition permit online [here](#). The site was approved last year for a three-story 72,963 square foot replacement, second photo.
