MOD WATCH

Mod Watch keeps an eye on the North Carolina buildings you love. You can keep the NCMH community updated by checking the demolition/building permits each week. Reply with any news.

Hey Raleigh: Know anything about this [Milton Small](#) masterpiece at **912 Williamson Drive** undergoing renovation by **Hilary Farr** and [Love It or List It?](#) We've seen lots of stuff being hauled away. This could be good or bad for one of North Carolina's best examples of mid-century Modernism. Will we Love It or Hate It? **Drive by and keep us posted!**

Dead Mod Walking 2015: Now several years vacant, the great old gal's **still standing** but we don't know for how long. Please help NCMH monitor when Milton Small's masterful 3515 Glenwood building, first photo, receives the demolition permit online here. The site was approved last year for a three-story 72,963 square foot replacement, second photo. Or, the owners could change their mind and lease the place, or agree to sell it. **Vacancy helps no one.**
