Help find the missing recording: Frank Lloyd Wright spoke in Raleigh in May of 1950. At the time it was the biggest architecture lecture in history, with over 5,000 attending in then-new Reynolds Coliseum on the campus of NC State University. We've heard that this landmark talk got recorded, and **we're on the hunt for a copy**. If you've ever heard of someone who taped it, or you've got any other clues, please contact George Smart at george@ncmodernist.org or 919.740.8407.

Purge, purge, purge! Got old architecture magazines in your office, basement, or attic? NCMH's **Colossus Archive** welcomes donations of mainstream architecture magazines especially **Architectural Forum, House + Home, GA Houses, Residential Architect, Metropolis, Arts+Architecture, Architect, AIA Journal, Architecture,** and **Progressive Architecture**. Please reply to this email or call George Smart at 919.740.8407 to arrange free pickup or shipping.
