February 15, 6pm, at the bar at 18 Seaboard in Raleigh. If you are looking to put your name or company in front of thousands of design-loving people, NCMH is your best investment to reach them through our many tour, happy hour, movie, award, education, preservation, and other high-profile, widely-promoted events. Sponsors of NCMH reach the public who shares your passion for Modernist architecture. To learn more, join us for drinks at 18 Seaboard. Free! RSVP with name(s), company, and phone number to **Rebekah Laney**, [rebekah@ncmodernist.org](mailto:rebekah@ncmodernist.org).

The Aluminaire, designed by **A. Lawrence Kocher** and Albert Frey in 1931, is an important icon in the Modernist canon. After narrowly missing demolition and languishing in storage on Long Island for many years, it is finally being trucked to Palm Springs, departing New York on February 9 and arriving in time for Modernism Week. It will eventually be reassembled there in a permanent home.
