New on US Modernist Radio: June is the 150th anniversary of the birth of **Frank Lloyd Wright**, the most famous architect in the world, still showing off 58 years after his death. Few architects have come close to Wright's arrogance, brilliance, or incredible output of designs built and unbuilt. Today we talk with **Eric Lloyd Wright**, grandson of Frank, and son of another famous Modernist, **Frank Lloyd Wright, Jr.**, aka Lloyd Wright. US Modernist Radio is sponsored by **Sarah Sonke** of [ModHomes Realty](#). [Listen on iTunes](#). For PC's, listen on [Libsyn](#).

With a record number of submissions, this year's houses from cities across the state will inspire you! [See them all here](#), and vote for your favorite. Alternatively, email george@ncmodernist.org with your vote. Voting is limited to one vote per e-mail address. Addresses that are or appear to be machine-generated or fraudulent will not be counted.
