Scale: What makes a house too big? And is it really anyone's business other than the owner? We talk with **Thomas Bena** and **Mollie Doyle**, stars and creators of the new documentary *One Big Home*, based in Martha's Vineyard MA. *One Big Home* is about Thomas Bena's work to curb the disruption of life on the island by giant houses. But the film is more than the story of a cause. Along the way, he found a girlfriend, Mollie Doyle, they married, moved, had a beautiful daughter named Emma - all events that influenced or changed his progress and perspective on the film and his life. In 2016, we lost this amazing  
**Milton Small** building in  
Raleigh.

Now the fate of another building by Small, this one owned by the City of Durham, goes up for public hearings in September. There's a prevailing notion to plow it down, but you can change that momentum. NCMH and Preservation Durham need your support to steer the conversation in a direction that
