Raleigh Little Theatre opens the play What We're Up Against, **January 12-28**, at the Leggett Theatre, William Peace University, Raleigh. Set in a highly competitive architecture firm, this play is an explosive and hilarious look at the complicated battle of the sexes raging across Cubicle Land. A funny yet insightful view of what it means to be female in a male-dominated career and one woman's response when she tires of slamming into the glass ceiling. Tickets.
