New on USModernist Radio: In architectural photography, both digital and social changes in photography affect decisions about the kind of buildings we see built, the design competitions where photos play a part, and how you can take better photos of architecture you love, like your own house. You'll meet architect **Harry Wolf**, who won five national AIA honor awards and over 30 regional and state AIA honors; Raleigh Architect **Matt Griffith** whose firm has won twenty-two local and state design awards; and architectural photographer **Jim Sink** who has been shooting buildings, with his camera, for nearly 50 years. USModernist Radio is sponsored by **Angela Roehl**, your special real estate agent for Modernist houses. [Listen via iTunes](#). [Listen on Android devices](#) and PC's.
