News and Events

Southeastern North Carolina is in the midst of the worst flooding in generations. Wilmington is completely cut off by flooded roads. The devastation will not be fixed in days or weeks. It will take months. Please give generously to the <u>NC Disaster Relief Fund</u> or any of the many organizations rallying to help thousands of people in trouble from the hurricane's wrath.

New Book: **Casa Moderna, Latin American Living** by **Philip Jodidio.** Since the Modernism pioneered by Oscar Niemeyer in Brazil, Latin America has become one of the world's most exciting locations for contemporary architecture. The wide architectural range, set amid varied climates, social conditions, and environments, has brought international attention to a continent that's making a name for itself as a center for innovation and experimentation. This overview showcases the most accomplished and rarely seen contemporary houses, by established names such as Isay Weinfeld, Mathias Klotz, and Marcio Kogan, and rising talents like Pezo von Ellrichshausen and Giancarlo Mazzanti.

Brad Pitt's Make It Right Foundation was <u>hit with a</u> <u>lawsuit</u>, and **Gwyneth Paltrow's** Goop <u>forays into</u> <u>furniture</u>.
