ModHomes Architecture Movie Series, **Double Feature, Tuesday January 6, 7pm,** at the Alamo Drafthouse, Raleigh. **Glenn Murcutt: A Spirit of Place** explores the life and art of Australia's most famous living architect. Murcutt's extraordinary international reputation rests on international awards (including the prestigious Pritzker Prize) putting Australian architecture on the world map. And yet, by choice, he has never built outside his own country.

But first, it's **Rendered Small**, the story of the private

collection of American folk art buildings that have been meticulously curated and displayed by **Steven Burke & Randy Campbell** in Hillsborough, North Carolina. Stay for Q&A after the movie with collectors Steven & Randy plus producers **Marsha Gordon and Louis Cherry**.

The Alamo Drafthouse has a full bar, over 50 draft beers, a restaurant menu (the food is great), and service at your movie seat or in their huge lobby.
