A once-in-a-lifetime opportunity to own an early Frank Lloyd Wright Usonian-style masterpiece.
There’s simply nothing like the craftsmanship on display in a true Frank Lloyd Wright Usonian-style home. Clean lines and integrated lighting make this home feel at once classic and contemporary. - Main residence 2965 sf

- Private lot in a quiet neighborhood; home is not visible from the road
- Oversized 2-car carport under cantilevered roof
- 1.5 acres of heavily wooded and hilly grounds

- Large fireplace in main living area perfectly balances the effortless transitions between outdoor and indoor spaces
- Lounge with library, fireplace and wet bar
- Built-in cabinets and closets blend in seamlessly with walls
- Built of cypress and brick
- Close to shops, restaurants, museums and galleries.
- Popular short-term rental opportunities
Designed by Wright in 1939 for Clarence Sondern as a 900-square foot home, three squares formed an L-shaped home with two bedrooms and one bath. Arnold Adler hired the architect in 1948 to expand the home to its current 2965 square feet, adding a great room, another bedroom and additional bathrooms. Renowned in Kansas City, the Sondern-Adler House has delighted its stewards and visitors for generations. Its tidewater red cypress and brick exterior virtually melts into the surrounding wooded landscape.

This early Usonian home connects visitors to nature with a single cantilevered roof and walls of glass. A sunken living room is anchored by a massive fireplace and is at once spacious and cozy. The home’s original cypress ceilings and built-ins embrace visitors by contrasting spacious rooms and private nooks. Signature elements, such as the clerestory and casement windows, and straight clean lines showcase the classic Frank Lloyd Wright Usonian aesthetic. Through the use of natural materials, varied ceiling heights and highly efficient spaces, Wright created a masterpiece that is expansively
welcoming to all, and yet intimate and cozy. With a strong adherence to clean lines, the open design is comfortable and seamlessly blends in with the lush canopy surrounding it.

While much of the original furniture has been sold or now resides in the nearby Nelson-Atkins Museum of Art, a few pieces of seating and dining furniture are original to the home and will remain.

Set effortlessly on nearly one and a half acres, the home is not visible from the road and offers incredible privacy. Located in the historic Roanoke neighborhood, the home is in the heart of Kansas City, only minutes away from The Plaza, Westport, and 39th St shopping districts, as well as the Nelson-Atkins Museum of Art, the Kemper Museum of Contemporary Art and the Crossroads Art District. Sometimes offered as a short-term rental, the Sondern-Adler house is a testament to Wright’s vision.
Inspired by Simplicity and Nature, the Usonian Vision Calls Us into the Future

The Usonian house informs our modern aesthetic for clean lines and uncluttered living.

Born out of the changing needs of families during the Great Depression, Frank Lloyd Wright's Usonian concept was an obsession that created ground-breaking homes whose influence continues to resonate. Wright preferred sensible, minimalist design that is meant to be lived in and around. Usonian homes had simple lines – often using flat or gently sloping roofs, and above all, used space efficiently. They eschew paint and plaster in favor of sturdier, low maintenance and local materials like wood, stone and brick. Natural ventilation and light keep the indoor spaces comfortable and bright.
COMFORTABLY ELEGANT

Three Thoughtfully Designed Bedrooms Create Simple Calming Spaces.

Cypress paneling blends closet spaces and walls together, creating cozy spaces full of natural light. Like all of the rooms in the Sondern-Adler house, the bedrooms feature recessed lighting and large windows.

Whether you’re dreaming about sunset strolls along the Rozarks nature trail, communing with owls in your backyard, or gathering for cocktails with neighbors at the wall (it’s a thing, you’ll love it), here’s the perfect spot to live your best life.
Roanoke is one of Kansas City’s best kept secrets. With just 100 homes, it’s a close-knit community and highly sociable. The stewards of these historic homes are proud of their neighborhood and it shows. Take a walking tour (a free guide is available online) or just enjoy the locally owned shops and cafes.

Outside Roanoke, Kansas City beckons. This vibrant and burgeoning city is filled with exciting new tastes, art, sports and revelry. If you’re looking for new experiences, local flavor and community spirit, Kansas City is the place to be. Filled with thriving food halls, modern markets, food trucks and of course, barbecue perfection, Kansas City prides itself on having some of the best flavors in the country. Mold Screening Report

Dear Client(s):

Enclosed is our screening report for the above listed property.

NOTED VISIBLE FUNGI GROWTH:

1) There is visible fungi growth on the wood ceilings and walls in multiple rooms of the house.
2) There is visible fungi growth below the wallpaper in the bathroom.
3) There is visible fungi growth on the sheetrock in the HVAC closet.
4) There is visible fungi growth on the floor joists and sub-flooring above the HVAC closet.
5) There is visible fungi growth on the HVAC system and duct registers.

The affected area exceeds the EPA’s minimum guideline of 10 sq. ft. for homeowner/handyman clean up and should be professionally mitigated.

GENERAL RECOMMENDATIONS

• Proper roof water discharge control should be initiated to assist in maintaining dry conditions. Extensions and splash blocks should be properly installed and maintained where needed to divert all water away from the foundation. Gutters must be kept clean.

• DO NOT over water trees, bushes, or flowers next to the house.

• A dehumidifier should be permanently placed in all basements to help control moisture, condensation, and stimulate air movement.

• Passive vents should be installed in walls between rooms or closets with little air movement and other rooms to increase air circulation.

• It is highly recommended that any belongings or materials in contaminated areas of the premises should not be moved or disrupted because of cross contamination.

• Small amounts of mold can be cleaned with undiluted white vinegar.

• Insulated walls in unfinished basements should not be covered with polyethylene plastic sheeting because this leads to the formation of condensation creating an ideal environment for mold growth. Instead use a breathable material to cover insulation.

• When replacing sheetrock in finished basements it is recommended that new sheetrock be installed approximately 1 inch off of the ground to reduce the possibility that any future water on floor would be wicked up into the sheetrock.

• Sometimes mold can grow undetected under wallpaper. If this is discovered it is recommended that wallpaper be removed with a steamer.

• Mold in baths/showers on tile etc. is common and normally not noted on report unless professional treatment is necessary. It is best to remove moldy caulk rather than trying to clean it. Replace with mold resistant caulk.

• Change furnace filters frequently.

Radon Test Information

Radon Risk Information

Radon causes lung cancer by means of the decay of its daughter products after breathing in air contaminated with higher levels of Radon. The World Health Organization (WHO) estimates that 15% of lung cancers worldwide are caused by exposure to elevated indoor levels of Radon. Overall, radon is the second leading cause of lung cancer responsible for about 21,000 lung cancer deaths every year in the US alone. Radon gas is the number one cause of lung cancer among non-smokers. The U.S. Environmental Protection Agency (EPA), the U.S. Surgeon General, and the Center for Disease Control and Prevention (CDC) strongly recommend that ALL homebuyers have an indoor radon test performed prior to purchase or taking occupancy and recommend having the radon levels professionally mitigated if elevated radon concentrations are found.

Understanding Radon Test Results

Recommended Action Levels vary by country and typically range from 3 pCi/l (100 Bq/m3) to 8 pCi/l (300 Bq/m3). Recommendations below are based on test results by a Continuous Radon Monitor (CRM) Test of at least 24h duration and are based on recommendations by the EPA.

Measured Average Radon Level:

- At or above 4.0 pCi/l (148 Bq/m3): Corrective measures to reduce exposure to radon gas is strongly recommended (ANSI MAH2014)

- Between 2-4 pCi/l (74-148 Bq/m3): Consider mitigation or periodic retest as indoor Radon levels vary by season and weather conditions

- Below 2 pCi/l (74 Bq/m3): Consider bi-annual retest or whenever significant changes to the home structure or mechanical systems occurred

---

**Signature of Seller(s) or Owner(s) if refinancing.** Seller acknowledges that all information regarding W.D.I. infestation, damage, repair, and treatment history has been disclosed to the buyer.

**Signature of Buyer.** The undersigned hereby acknowledges receipt of a copy of both page 1 and page 2 of this report and understands the information reported.
1. **About the Inspection:** A visual inspection was conducted in the readily accessible areas of the structure(s) indicated (see Page 1) including attics and crawlspaces which permitted entry during the inspection. The inspection included probing and/or sounding of unobstructed and accessible areas to determine the presence or absence of visual evidence of wood destroying insects. The WDI inspection firm is not responsible to repair any damage or treat any infestation at the structure(s) inspected, except as may be provided by separate contract. Also, wood destroying insect infestation and/or damage may exist in concealed or inaccessible areas. The inspection firm cannot guarantee that any wood destroying insect infestation and/or damage disclosed by this inspection represents all of the wood destroying insect infestation and/or damage which may exist as of the date of the inspection. *For purposes of this inspection, wood destroying insects include: termites, carpenter ants, carpenter bees, and reinfesting wood boring beetles. This inspection does not include mold, mildew or noninsect wood destroying organisms.* This report shall be considered invalid for purposes of securing a mortgage and/or settlement of property transfer if not used within ninety (90) days from the date of inspection. *This shall not be construed as a 90-day warranty.* There is no warranty, express or implied, related to this report unless disclosed as required by state regulations or a written warranty or service agreement is attached.

2. **Treatment Recommendation Guidelines Regarding Subterranean Termites:** FHA and VA require treatment when any active infestation of subterranean termites is found. If signs of subterranean termites — but no activity — are found in a structure that shows no evidence of having been treated for subterranean termites in the past, then a treatment should be recommended. A treatment may also be recommended for a previously treated structure showing evidence of subterranean termites — but no activity — if there is no documentation of a liquid treatment by a licensed pest control company within the previous five years unless the structure is presently under warranty or covered by a service agreement with a licensed pest control company.

3. **Obstructions and Inaccessible Areas:** No inspection was made in areas which required the breaking apart or into, dismantling, removal of any object, including but not limited to: moldings, floor coverings, wall coverings, siding, fixed ceilings, insulation, furniture, appliances, and/or personal possessions; nor were areas inspected which were obstructed or inaccessible for physical access on the date of inspection. Your inspector may write out inaccessible areas or use the key in Section IV. Crawl spaces, attics, and/or other areas may be deemed inaccessible if the opening to the area is not large enough to provide physical access for the inspector or if a ladder was required for access. Crawl spaces (or portions thereof) may also be deemed inaccessible if there is less than 24 inches of clearance from the bottom of the floor joists to the surface below. If any area which has been reported as inaccessible is made accessible, the inspection company may be contacted for another inspection. An additional fee may apply.

4. **Consumer Maintenance Advisory Regarding Integrated Pest Management for Prevention of Wood Destroying Insects.** Any structure can be attacked by wood destroying insects. Homeowners should be aware of and try to eliminate conditions which promote insect infestation in and around their structure(s). Factors which may lead to wood destroying insect infestation include: earth to wood contact, foam insulation at foundation in contact with soil, faulty grade, improper drainage, firewood against structure(s), insufficient ventilation, moisture, wood debris in crawlspace, wood mulch or ground cover in contact with the structure, tree branches touching structure(s), landscape timbers and wood decay. Should these or other conditions exist, corrective measures should be taken in order to reduce the chances of infestation of wood destroying insects and the need for treatment.

5. **Neither the inspecting company nor the inspector has had, presently has, or contemplates having any interest in the property inspected.**

Occasionally, the parcel number for a real estate parcel changes, due to a parcel segregation or merge. In such a case, a search of the new parcel number may not reflect tax delinquency or a full tax history concerning that parcel. You may wish to contact us to obtain that information. Or, you may wish to search all relevant parcel numbers of parcels involved in such a segregation or merge. Wire Fraud Alert

This Notice is not intended to provide legal or professional advice. If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied upon the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. DO NOT use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the phone number of relevant parties to the transaction as soon as an escrow account is opened.** DO NOT send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do NOT reuse the same password for other online accounts.
- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.

AUCTION DOCUMENTS
1. **Introduction.** (“Seller”) are the owners of the property located at 3600 Belleview Ave, Kansas City, MO 64111 (the “Property”). Seller has retained Heritage Luxury Property Auctions, Inc., a Texas corporation (“Heritage”), to sell the Property pursuant to this auction (the “Auction”). Heritage is conducting the Auction through its licensed real estate broker, (“Broker”) and licensed auctioneer (the “Auctioneer”).

2. **Bidder Registration.** Bidders must register for the Auction by executing and delivering this Agreement. The form may be submitted in person, by DocuSign, by fax to (214) 409-2457, or emailed to LuxuryEstates@HA.com prior to the Auction. Upon registering, Bidder will be provided with a bidding number in order to participate in the Auction and bid on the Property. Bidder’s bidding number must be presented when a Bidder is declared by Auctioneer to have placed the Winning Bid. By providing advance written notice to Heritage, a Bidder may appoint a representative to place bids at the Auction on Bidder’s behalf. Any person bidding on behalf of a Bidder must sign the proxy bidder card and registration paperwork and be approved by Heritage prior to the Auction. With Heritage’s prior approval, a Bidder (or its representative) may place bids at the Auction by telephone.

3. **Lender Approval.** Bidder must be pre-approved for loan amount by a lender from among Heritage’s chosen lenders (“Lender”), or Bidder must provide a bank letter guaranteeing a Purchase Price. The Bidder must deliver to Heritage, in order to bid, a pre-approval commitment from the Lender for the amount Bidder intends to bid or the Letter of Credit prior to the commencement of the Auction.

4. **Auction.** The Property is more particularly described in the due diligence package concerning the Property previously furnished to each Bidder (the “Due Diligence Package”). The Property shall be auctioned without Reserve so that Seller shall be deemed to have accepted the highest bid (the “Winning Bid”) from a qualified bidder (the “Buyer”) without limiting condition as to the amount of the high bid or the nature of the Buyer. Following the conclusion of the auction, Seller and Buyer shall execute the Auction Purchase Agreement relating thereto, the form of which is included in the Due Diligence Package (the “Purchase Agreement”). An amount equal to ten percent (10%) of the Winning Bid (the “Buyer’s Premium”) will be automatically added to the Winning Bid to be paid by Buyer. The Buyer’s Premium shall not be considered a real estate commission. The Buyer’s Premium is a fee charged by Heritage to the Buyer for Heritage’s work in bringing the Property to the Auction. Seller shall have the right, in its sole discretion, to add or withdraw Property from the Auction at any time prior to commencement of bidding. All bids placed by Bidder in the Auction shall be binding on Bidder. Buyer’s purchase of the Property shall not be conditioned or contingent upon Buyer obtaining financing. The purchase price for the Property shall be paid by Buyer in cash. All decisions of the Auctioneer are final as to the methods of bidding, disputes among Bidders, increments of bidding, and any other matters regarding the auction process that may arise before, during, or after the Auction. The Auctioneer reserves the right to deny any person admittance to the Auction or expel anyone from the Auction who attempts to disrupt the Auction. The Auctioneer reserves the right to announce additional terms and conditions of the sale of the Property prior to or during the course of the Auction. All announcements made at the Auction shall supersede any conflicting prior oral or printed statements.

5. **Pre-Bid Process and Conditions.**

**To place a Pre-Bid, Bidder must: a) have submitted their Lender Approval or Letter of Credit (see No. 3 above) and b) have signed and submitted this form to Heritage including the Pre-Bid Amount prior to Monday, August 12th at 12:00 p.m. CDT (“Pre-Bid Deadline”).**

![PRE-BID AMOUNT](Image)

$____________________ (Not including the 10% Buyer’s Premium)

The form may be submitted in person, by fax to (214) 409-2457, or emailed to LuxuryEstates@HA.com prior to the Pre-Bid Deadline. A Pre-Bid is effective upon receipt by the Pre-Bid prior to the Pre-Bid Deadline.

a) Bidder may increase their Pre-Bid during the auction
b) Bidder understands that their submitted Pre-Bid is legally binding, irrevocable, and may not be withdrawn for any reason*. Bidder further understands that the Seller is not obligated to accept any bid until the call for bids at the Auction.
c) In the event of duplicate Pre-Bid amounts, the Auctioneer shall execute on a Bidder’s behalf the Pre-Bid Amount that is first received by the Auctioneer. The Auctioneer shall make a good faith effort to inform subsequent Bidder(s) of pre-existing bids. Nothing shall preclude a Bidder from increasing his Pre-Bid Amount.
d) Bidder authorizes the Auctioneer to execute the full amount of the Pre-Bid in increments or otherwise. The Pre-Bid is an absolute offer for the Property made by the Bidder without discount and regardless of other bids made.
e) Bidder is obligated to pay the full amount of the submitted Pre-Bid. While the auctioneer may open the bidding at a lower amount, the auctioneer shall bid in increments to the maximum amount of your Pre-Bid.

**Buyer Initial____________________**
* The Pre-Bid Amount shall be liquidated damages in the event that Bidder breaches their agreement to bid the Pre-Bid Amount or close the sale if Bidder is awarded the property. Bidder agrees that the liquidated damages amount of the Pre-Bid is a fair representation of damages incurred by the breach and is not a penalty.

6. **Property.** If the Bidder places the Winning Bid, Bidder and Seller shall execute a Purchase Agreement pursuant to which Seller will agree to convey the Property to Bidder by warranty deed, free and clear of all liens and encumbrances, except for the liens and encumbrances specified in the title commitment (the “Title Commitment”) and warranty deed (the “Deed”) provided pursuant to the Purchase Agreement. Buyer will purchase the Property subject to, and the closing of the purchase of the Property by Buyer pursuant to the Purchase Agreement shall not be conditioned on, any state of facts an accurate survey or personal inspection of the Property may reveal, any existing rights-of-way, easements, encroachments, rights or claims of parties in possession, restrictive and protective covenants, flood zones, zoning or subdivision regulations, building ordinances, governmental agencies regulations, environmental conditions, hazardous materials, leases or tenancies, any mineral rights, and all title exceptions as set forth in the Title Commitment and Deed.

7. **INSPECTION RECOMMENDED; DISCLAIMER. PERSONAL ON-SITE INSPECTION OF THE PROPERTY IS RECOMMENDED AND BIDDER IS ADVISED TO INDEPENDENTLY VERIFY ALL INFORMATION BIDDER MAY DEEM IMPORTANT. EXCEPT AS OTHERWISE EXPRESSLY STATED IN THE PURCHASE AGREEMENT, THE PROPERTY IS BEING SOLD “AS IS, WHERE IS” AND “WITH ALL FAULTS” AND HERITAGE, SELLER AND AUCTIONEER HAVE NOT MADE, DO NOT MAKE AND WILL NOT MAKE, AND HEREBY DISCLAIM, ANY REPRESENTATION OR WARRANTY, WHETHER EXPRESSED OR IMPLIED OR STATUTORY, WHETHER ORAL OR WRITTEN, WITH RESPECT TO THE PROPERTY, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY AS TO ITS VALUE, CONDITION, SQUARE FOOTAGE, SUITABILITY, MERCHANTABILITY, OPERABILITY, ZONING OR SUBDIVISION REGULATIONS, MINERAL RIGHTS, ENVIRONMENTAL CONDITION OR FITNESS FOR A PARTICULAR USE OR PURPOSE. NO GUARANTEES ARE GIVEN AS TO THE AVAILABILITY OF UTILITIES OR ACCESSES, OR ALLOWABLE OR PERMITTED USES ON THE PROPERTY.

8. **Property Inspection.** All information contained in the auction brochure, the Due Diligence Package and all promotional materials, including, but not limited to, photographs, directions, acreage, square footage, dimensions, zoning, maps in the brochure and other maps used for promotion, environmental conditions, taxes, etc., was provided by or on behalf of Seller and the tax assessor’s office, and is believed to be correct; however, neither Seller nor Heritage nor Auctioneer makes any promise, representation, guarantee, or warranty as to the accuracy or completeness of such information. There is no obligation on the part of Seller, Heritage or Auctioneer to update any information. Buyer and its representatives shall be responsible for verifying all acreage and square footage amounts of the Property. The Property has not been surveyed for this Auction. Seller will convey the Property in accordance with the legal description contained in the Deed. Buyer should retain its own professionals to conduct and/or verify any survey of the Property. Should Buyer desire a survey, it shall be at Buyer’s option and expense. Should the final survey show a greater or lesser number of acres than recited on the survey sales map, it will not affect the purchase and no adjustment will be made to the Purchase Price of the Property. Certain disclosures concerning the Property are attached hereto as Schedule B.

9. **Earnest Money Deposit.** If Bidder is declared by the Auctioneer to have placed the Winning Bid, Bidder shall deliver at the end of the Auction to an escrow agent designated by Heritage (the “Escrow Agent”) an earnest money deposit in an amount equal to at least ten percent (10%) of the of the sum of the Winning Bid and the Buyer’s Premium (the “Earnest Money Deposit”), less an amount equal to the Bid Deposit. The Earnest Money Deposit may be paid by wire transfer, by certified check or by personal check. If Bidder places the Winning Bid by Telephone, the Earnest Money Deposit must be delivered by wire transfer of immediately available funds to Escrow Agent within 24 hours following the end of the Auction.

10. **Purchase Agreement.** If Bidder is declared by the Auctioneer to have placed the Winning Bid, Bidder shall immediately execute and deliver the Purchase Agreement. NO CHANGES BY BUYER TO THE PURCHASE AGREEMENT WILL BE PERMITTED. If for any reason the Buyer fails or refuses to deliver the Earnest Money Deposit or to execute the Purchase Agreement immediately after being declared by Auctioneer to have placed the Winning Bid, Seller and Heritage reserve the right to declare the Bidder’s rights with respect to the Auction and the Property forfeited and may resell the Property and retain the Bid Deposit as liquidated damages. Neither Seller, Heritage nor any of their respective brokers or representatives is making any representation or warranty as to the manner in which the Auction will be conducted. The Purchase Agreement shall incorporate the terms of this Agreement.

11. **Closing.** The closing of the purchase and sale of the Property pursuant to the Purchase Agreement shall occur on or before September 12, 2019 or on such other date as provided in the Purchase Agreement (the “Closing”). All deposits and down payments made by Bidders and Buyer shall be held by the Escrow Agent in a non-interest bearing escrow account. Heritage shall not be involved in any way with the closing of any real estate transaction. The Closing will be handled exclusively by third-party real estate professionals.

12. **Closing Costs.** At Closing, all ad valorem taxes and any other applicable taxes and fees (including, without limitation, any county and fire district taxes) for the Property shall be prorated between Buyer and Seller based upon the applicable number of days the Property is owned by Seller versus owned by Buyer. Seller will pay the fee for the preparation of the cost of preparing legal documents to transfer the Property and to release any liens or encumbrances on the Property to allow conveyance to the Buyer in accordance with the Purchase Agreement. Buyer shall pay all other closing costs, including (without limitation) Deed recording fees, any applicable transfer taxes and/or deed stamps, and all title searches, title insurance, inspections and surveys.

13. **DISCLAIMER REGARDING HERITAGE AND AUCTIONEER. NOT BE RESPONSIBLE OR LIABLE IN ANY WAY TO BIDDER, BUYER, ANY BROKER OR ANY OTHER PERSON OR ENTITY WITH RESPECT TO THE AUCTION, THE PROPERTY OR THE PURCHASE AGREEMENT, INCLUDING, WITHOUT LIMITATION, ANY CLAIM RELATING TO SELLER'S BREACH OF THE PURCHASE AGREEMENT. ANY THIRD PARTY BROKER IS NOT A SUBAGENT OF HERITAGE OR ANY OF ITS AFFILIATES OR REPRESENTATIVES AND NONE OF HERITAGE OR ANY OF ITS AFFILIATES OR REPRESENTATIVES SHALL HAVE ANY OBLIGATION WHATSOEVER TO MAKE ANY PAYMENT TO ANY BROKER.

THE AUCTIONEER IS NOT ACTING AS AGENT IN THIS TRANSACTION FOR THE BIDDER OR BUYER OR ANY BROKER. ANY THIRD PARTY BROKER IS NOT A SUBAGENT OF AUCTIONEER AND AUCTIONEER SHALL HAVE NO OBLIGATION WHATSOEVER TO MAKE ANY PAYMENT TO ANY BROKER.

16. Bidder’s Acknowledgements. Bidder acknowledges and agrees that Bidder is fully and solely liable for the deposits required under this Agreement, and the full Purchase Price of the Property should Auctioneer declare that Bidder has placed the Winning Bid. Additionally, Heritage is not obligated to take any action against the Seller for the Seller’s breach.

Buyer acknowledges and agrees to accept title to the Property subject to (i) all standard
exclusions and printed exceptions set forth in the owner’s title insurance policy including all matters that would be disclosed by a current and accurate survey of the Property; (ii) liens for taxes not yet due and payable; any dues, taxes and assessments will be prorated between and Seller at Closing; (iii) public utility easements; (iv) all other easements, covenants, restrictions and rights-of-way affecting the Property; (v) rights of parties in possession; and (vi) all title exceptions referenced in the Title Commitment and the General Warranty Deed (the foregoing title matters are herein referred to as the “Permitted Title Exceptions”). Any applicable zoning ordinances, other land use laws and regulations, together with taxes for the current year and those matters, if any, which are waived by Buyer pursuant to this Paragraph 10 shall also be deemed Permitted Title Exceptions.

11. DISCLOSURES.

(a) LEAD WARNING STATEMENT. If this Property includes pre-1978 residential housing, a lead-based paint disclosure form is attached as Exhibit [C] and to be made part of this Purchase Agreement. In addition, the Seller has provided herein any available records or reports pertaining to the presence of lead-based paint hazards.

(b) MOLD DISCLOSURE AND WAIVER. Mold is naturally occurring and may cause health risks or damage to property. If Buyer is concerned or desires additional information regarding mold, Buyer should contact an appropriate professional. If applicable, Buyer agrees to execute a “Mold Disclosure and Waiver” (“Mold Waiver”) and to be made part of this Purchase Agreement, and has executed this “Mold Waiver” and it is incorporated herein by reference.

(c) RADON GAS. Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings. Additional information regarding radon and radon testing may be obtained from your county health department.

(d) SEX OFFENDER INFORMATION. Pursuant to Section 290.46 of the Penal Code, information about specified registered sex offenders is made available to the public via an internet web site maintained by the Department of Justice at www.nsopw.gov. Depending on an offender’s criminal history this information will include either the address at which the offender resides or the community of residence and Zip Code in which he/she resides. (Neither Seller, Broker, Heritage, Agent, or their representatives or employees are required to check this website. If Buyer wants further information, the Seller recommends that Buyer obtain information from the registry prior to participating in the auction.)

(e) PROPERTY TAX DISCLOSURE SUMMARY. BUYER SHOULD NOT RELY ON SELLER’S CURRENT PROPERTY TAX ON THE PROPERTY AS THE AMOUNT OF PROPERTY TAXES THAT THE BUYER MAY BE OBLIGATED TO PAY IN THE YEAR SUBSEQUENT TO PURCHASE. A CHANGE OF OWNERSHIP OR PROPERTY IMPROVEMENTS MAY TRIGGER A REASSESSMENT FOR THE PROPERTY THAT COULD RESULT IN HIGHER TAXES BEING ASSESSED TO BUYER. IF YOU HAVE ANY QUESTION CONCERNING VALUATION OR TAXATION OF THE PROPERTY, YOU SHOULD CONTACT THE COUNTY APPRAISAL DISTRICT OFFICE FOR FURTHER INFORMATION.

(f) FLOOD ZONE; ELEVATION CERTIFICATION. Buyer is advised to verify by survey, elevation certificate and the appropriate government agencies which flood zone the Property is in, whether flood insurance is required, and what restrictions apply to improving the Property and rebuilding in the event of casualty. The National Flood Insurance Program may assess additional fees or adjust premiums for pre-Flood Insurance Rate Map (pre-FIRM) non-primary structures (residential structures in which the insured or spouse does not reside for at least 50% of the year) and an elevation certificate may be required for actuarial rating. By execution of this Purchase Agreement the Buyer accepts the existing elevation of the buildings and zone designation of the Property.

(g) TAX WITHHOLDING. Buyer and Seller will comply with the Foreign Investment in Real Property Tax Act [FIRPTA] Internal Revenue Code Section 1445, which may require Seller to provide additional cash at Closing if Seller is a “foreign person” as defined by federal law.

(h) AGENCY DISCLOSURE. HERITAGE REPRESENTS THE SELLER ONLY IN THE SALE OF THIS PROPERTY, AND IS TO BE PAID A FEE BY THE SELLER PURSUANT TO A SEPARATE WRITTEN AGREEMENT BETWEEN THE SELLER AND THE AUCTION COMPANY. THE AUCTION COMPANY IS NOT ACTING AS AN AGENT FOR THE PURCHASER IN THIS TRANSACTION. ANY THIRD PARTY BROKER/AGENT IS NOT A SUBAGENT OF THE AUCTION COMPANY.

(i) SELLER DISCLOSURE: Seller knows of no facts materially affecting the value of the Real Property which are not readily observable and which have not been disclosed to Buyer. Except as provided for in the preceding sentence, Seller extends and intends no warranty and makes no representation of any type, either express or implied, as to the physical condition or history of the Property. Except as otherwise disclosed in writing Seller has received no written or verbal notice from any governmental entity or agency as to a currently uncorrected building, environmental or safety code violation.

(j) ADDENDUM. Attached as an Addendum hereto are additional notices and disclosures.

12. SURVEY. A recent survey has not been provided on the Property for this sale. Seller is conveying the Property in accordance with the legal description in the recorded plat. Any additional survey shall be at the Buyer’s option and expense. If said additional survey shows a greater or lesser number of acres, such survey shall not affect the Seller’s obligations under this Agreement and no adjustments will be made to the purchase price.

13. COMMISSIONS & FEES.

(a) BROKERAGE. Buyer warrants and represents that Buyer [ ] is [ ] is not represented by a buyer’s agent in this transaction. If Buyer is represented by a buyer’s agent, the buyer’s agent is: [ ] (“Buyer’s Agent”). The buyer’s agent must have performed all requirements of the agent guidelines and execute a Bidder Registration Agreement provided by Heritage. Failure to properly register or comply with the provisions of the guidelines will disqualify the buyer’s agent from receiving any commission. Buyer represents to the Seller that no Agent other than the Seller’s Broker or Buyer’s Agent as defined in this Paragraph was involved in submitting, showing or selling the Property to Buyer and Buyer hereto agrees to indemnify the Seller and Heritage and escrow agent of all claims by any other party. This provision shall survive the Closing and any termination of this Agreement.

(b) BROKERAGE COMMISSIONS & FEES. Upon the Closing of the transaction contemplated herein, Seller shall pay Heritage a fee pursuant to the terms of a separate agreement. A two and a half percent (2.5%) commission based on High Bid Price (excluding Buyer’s Premium amount) will be paid to the qualified, licensed real estate agent representing the Buyer (the “Buyer’s Agent”) provided that such Buyer’s Agent and the Buyer have properly and timely executed and delivered to Heritage the Bidder Registration Agreement – Terms & Conditions provided to Bidder (the “Bidder Registration Agreement”). In order to receive any commission described in this paragraph, the Buyer and Buyer’s Agent must comply with all terms of the Bidder Registration Agreement. Each Bidder and its Buyer’s Agent must execute and deliver to Heritage the Bidder Registration Agreement by the deadline
stated on the Bidder Registration Agreement. The Bidder Registration Agreement shall become part of this Agreement.

14. BREACH OF CONTRACT. Buyer and Seller are required and agree to make full settlement in accordance with the terms of the Auction Purchase Agreement and acknowledge that failure to do so constitutes a breach hereof. Buyer agrees and acknowledges that if Buyer fails, neglects or refuses to perform Buyer’s obligations under this Agreement, or is in Default, Seller may elect to treat this Agreement as cancelled, in which case the total Escrow Deposit shall be non-refundable and is retained in escrow (and dispersed per the escrow instructions) as minimum liquidated damages and shall be entitled to all rights and remedies available at law and in equity. Buyer acknowledges and agrees that under no circumstances shall Seller, Heritage, Broker, or other representative be responsible for Buyer’s damages, consequential, actual, punitive, speculative or otherwise. If Seller fails to make full settlement or is in default due to Seller’s failure to comply with the terms, covenants and conditions of the Agreement, Buyer shall be entitled to pursue such rights and remedies as may be available, at law or in equity, including, without limitation, an action for specific performance of this Agreement and/or monetary damages.

15. CASUALTY. If after effective date of this agreement, but before Closing, the Property is damaged significantly (in the opinion of the Seller) or is destroyed by fire or other casualty or hazard, Seller shall have the option to restore the Property to its pre-casualty condition or to cancel this Agreement and Buyer’s Earnest Money shall be returned as a complete and final settlement to Buyer of all of Seller’s obligations hereunder. Should Seller desire to restore the Property to its pre-casualty condition, Seller shall not notify Buyer and thereafter have 120 days to complete such restoration, with the Closing date to be postponed accordingly.

16. NO RECORDING. Neither this Agreement nor any notice of it shall be recorded in any public records.
